THANK YOU!

WELCOME

Greetings and welcome to our 2nd annual **March to the Summit Invitational** marching contest. On behalf of the directors, Mr. Erick Harris and Scott Atchley, our wonderful students, staff, parents and community, we would like to thank you for attending. Many of you had suggestions about ways in which we could improve our show from last year, and we listened.

Our staff and students have worked enthusiastically to provide the best possible experience for everyone. Our venue, food vendors, fan merchandise and judging panel are all top-notch. We have an amazing line up of some of the best bands in Tennessee.

All the pieces are in place to ensure an exciting and thrilling event, and we appreciate you choosing to spend the evening with us. Our students, parents and staff will be very present throughout the contest, so if you have questions, comments or need anything, please ask.

Now, cheer as loud as you can for your favorite band, enjoy some snacks and say hello to some of our Summit crew! We are so thrilled to have you as our guests today at the **March to the Summit Invitational!**

Thank you!

Erick Harris, DIRECTOR, SUMMIT HIGH SCHOOL BAND

Scott Atchley, ASSISTANT BAND DIRECTOR, SUMMIT HIGH SCHOOL BAND

WELCOME

Dear March to the Summit Participants and Families 2024:

On behalf of Principal Sarah Lamb and the faculty and staff of Summit High School, I would like to thank you for your participation in the 2024 March to the Summit band competition. This competition brings together bands from across the southeast region of the United States and it would not be possible without the hard work and dedication of the Summit High School Marching Band families. I would like to personally thank them for all they do to support our band program. I would also like to recognize the hard work and dedication the young men and women of the SHS Marching Band give to the SHS band program daily. I am constantly amazed by their work ethic, attitude, and enduring spirit to be the best musicians they can be. I would be remised if I did not thank our band directors, Erick Harris and Scott Atchley, for their unwavering support of Summit High School and the love and joy they give to our students. We are so fortunate to have amazing students and adults working on behalf of SHS.

Our mission at Summit is to cultivate a supportive environment where our students become lifelong learners who embody excellence in the arts. While you are on campus, I hope that you find that welcoming and supportive spirit we strive for. I am delighted that you have chosen March to the Summit as one of your competitions this school year, and I wish everyone here today my very best in the competition.

Educationally Yours,

Kurt R. Jones
