

What is a CHAIRity event?

Sponsored by Modern Luxury Interiors, *Shoot for the Stars CHAIRity* is a fundraiser event benefitting Nantucket S.T.A.R. Central to the fundraiser are the creative contributions from handselected premiere designers, who have reimagined chairs to be auctioned. Each one of a kind chair has been creatively fabricated and designed to contribute to our fundraising efforts in support of Nantucket S.T.A.R.'s valuable mission.

Who are the designers?

As co-chair of *Shoot for the Stars CHAIRity*, Audrey Sterk of Audrey Sterk Design has invited more than a dozen local and regional interior designers to showcase their creative talents in support of Nantucket S.T.A.R. Our collective of committed interior designers are highlighted below! In addition to each chair's designer, valued community members, S.T.A.R. family members and supporters, and additional non-profit partners will be in attendance. Tickets may be purchased [here](#). For information on becoming a sponsor, [click here](#).

When and where will this be?

On June 28, 2025 from 5 to 7pm at the Great Harbor Yacht Club Nantucket S.T.A.R. will be hosting its *Shoot for the Stars CHAIRity*. Each unique chair created by the collective of contributing designers will be displayed at the event and available for auction and purchase. Additionally, chairs will be photographed and featured within the online portion of our fundraiser auction, available soon.

How can I participate in this incredible opportunity?
