

Welcome to Human Club

...with Books

Gather with us, grow connections and share learning together in community. This is a book club for anyone who cares about how we support children - all are welcome (including those too busy to read the book)!

WHY THIS BOOK

This book provides a vital, fundamental key to understanding behavior.

This is a vulnerable, inviting and wisdom-rich read. Dr. Delahooke offers readers the opportunity to view behaviors by considering the essential role of the entire nervous system.

*Interconnected Diversity fosters our unique strengths and skills within our Community to restore, regenerate and reconnect.
