

# 8-WEEK ONLINE PUPPY COURSE

# PUPPY TRAINING COURSE

# THE PROGRAM AT A GLANCE

Raising a puppy shouldn't feel overwhelming—or out of reach. Our Online Puppy Training Course is a **self-paced, fully digital** version of our in-person 8-week program, designed to give you all the tools, support, and structure you need—on your schedule and from the comfort of home.

Perfect for busy households, long-distance clients, or anyone on a budget, this course brings high-quality dog training straight to your screen.

# WHAT'S INCLUDED:

## 8 Weeks of Step-by-Step Video Modules

- Structured weekly lessons focused on obedience, confidence, and routine
- Easy-to-follow demos and breakdowns, with real puppies in training
- Covers sit, stay, leash walking, recall, crate training, confidence building & more

# WHAT'S INCLUDED:

## Bonus Behavior & Nutrition Guides

- Printable PDFs on common behavior issues (biting, jumping, potty training, etc.)
- Puppy-safe nutrition guidance to help fuel your pup's development
- Extra tips for socialization, structure, and setting your home up for success

# WHAT'S INCLUDED:

## Lifetime Access

- Start anytime. Go at your own pace. Rewatch modules as needed.
- Great for families or households with multiple puppy caregivers
- Your one-time payment includes all future updates

# WHO'S IT FOR?

## This course is designed for:

- Puppy parents looking to get a solid head start on training
- Families with young dogs who want to build calm, confident habits early
- Owners outside our service area who want the King's K9 method from anywhere
- Anyone who prefers to learn at home or on a budget

# WHAT YOU'LL LEARN

**By the end of this course, you'll know how to:**

- ✓ Build a solid obedience foundation
- ✓ Prevent common behavioral issues before they start
- ✓ Confidently handle leash walking, crate time, and routine
- ✓ Communicate clearly with your puppy to avoid confusion and chaos

**This isn't just about teaching "sit."  
It's about raising a calm, respectful, and  
well-adjusted dog for life.**

# PRICING AND ACCESS

- Flexible payment options available
- One-time payment for lifetime access
- Ask us about custom installment plans if needed

*Pre-sale price*

**\$297**

*Regular Price: \$497*
