

8-WEEK OBEDIENCE GROUP COURSE

THE ROYAL ROUTE

**AFFORDABLE.
STRUCTURED.
PROVEN TO
BUILD
LIFELONG
SKILLS.**

Whether you're starting with a young puppy or polishing up your adolescent dog's behavior, our Group 8-Week Obedience Course is designed to **build solid foundations and create real-life reliability**—one week at a time. These sessions are perfect for dog owners who want guidance, consistency, and community, all while keeping training fun, affordable, and highly effective.

Each course runs for 8 consecutive weeks, with 60-minute sessions that build week-by-week. You'll receive printed homework sheets, trainer feedback, and a certificate of completion at graduation. Our group format adds light distractions and social exposure, which strengthens your dog's focus and resilience in everyday settings.

We offer four levels of curriculum, from puppy foundations to advanced off-leash skills. You'll be placed into the level that best fits your dog's age, skillset, and training goals. The group setting encourages learning, accountability, and a positive training culture you'll love being a part of.

“Training isn’t about perfection—it’s about connection, communication, and building a dog you can trust anywhere.”

LEVEL 1: PUPPY FOUNDATIONS

**FOR PUPPIES 10 WEEKS TO 5 MONTHS OLD.
BUILD CONFIDENCE AND STRUCTURE EARLY.**

Your puppy is in their most impressionable stage—what they learn now shapes their behavior for life. This course focuses on creating positive associations, developing focus, and introducing foundational obedience.

WEEKLY BREAKDOWN:

Week 1: Name game, crate training basics, leash desensitization

Week 2: Sit, down, luring techniques, engagement drills

Week 3: “Come when called” games, intro to stay

Week 4: Leash walking foundations + focus

Week 5: Place command + door manners

Week 6: Leave it, impulse control

Week 7: Obedience with light distractions

Week 8: Graduation test + certificate celebration

LEVEL 2: ADOLESCENT OBEDIENCE

FOR DOGS 6–18 MONTHS. HARNESS ENERGY, BUILD SELF-CONTROL, AND REINFORCE STRUCTURE.

This stage often brings boundary-testing and selective hearing. This course helps redirect that energy into focus, patience, and reliable obedience, even in exciting environments.

WEEKLY BREAKDOWN:

Week 1: Engagement refresher, leash work review

Week 2: Stay with duration, distance recall

Week 3: Leave it with food/toy distraction

Week 4: Public practice walk + polite greetings

Week 5: Door/threshold drills, handler control

Week 6: Long stays + place with distractions

Week 7: Structured heeling practice

Week 8: Graduation obedience challenge

LEVEL 3: PUBLIC & REAL-WORLD OBEDIENCE

**FOR DOGS WITH A SOLID OBEDIENCE
FOUNDATION READY TO WORK IN THE REAL
WORLD.**

This course takes skills out of the classroom and into the real world—where your dog learns to focus around distractions, respond without constant reinforcement, and become a reliable companion everywhere you go.

WEEKLY BREAKDOWN:

Week 1: Leash drills around people and other dogs

Week 2: Outdoor recall + distraction walking

Week 3: Verbal-only commands, leash drag practice

Week 4: Long duration downs, environmental exposure

Week 5: Place transitions in busy settings

Week 6: On-the-go obedience challenge in town

LEVEL 4: ADVANCED OBEDIENCE / OFF- LEASH CGC PREP

**FOR GRADUATES OF PREVIOUS LEVELS OR
DOGS PREPARING FOR OFF-LEASH LIFE AND
TESTING.**

Our highest-level group class is for dogs who have mastered the basics and are ready for fine-tuned communication, off-leash performance, and canine good citizen (CGC) standards.

WEEKLY BREAKDOWN:

Week 1: Long-line recall & verbal-only cues

Week 2: Off-leash heeling with turns

Week 3: Distance commands + impulse control

Week 4: Public proofing (other dogs, noises, crowds)

Week 5: Simulated CGC testing (urban drills)

Week 6: Graduation day + evaluation

WHY GROUP TRAINING WORKS?

- Encourages consistency with set weekly goals
- Adds light, healthy distractions for real-world prep
- Builds handler confidence in a supportive environment
- Fosters better focus, patience, and resilience in dogs
- More affordable than private sessions—same proven results
