Ms. Lois J. Blevins  
President/Founder  
National Center for Citizen Safety

Dear Ms. Blevins:

On behalf of our 9/11 families, Tuesday's Children would like to thank you for your recent contribution in the amount of \$250. We are most grateful for your generous support.

Tuesday's Children is a non-profit family service organization that has made a long term commitment to every individual impacted by the events of September 11, 2001 and more recently those who have been impacted by terrorist incidents worldwide. Since 2001, Tuesday's Children has promoted healing and recovery by strengthening family resilience, providing individual coping and life management skills and creating community through programs, mental health support and family engagement opportunities.

Your donation goes a long way in facilitating our programs including Mentoring, Helping Heals, College Guidance, Career Resource Center, Counseling Services and our international program, Project COMMON BOND. These programs have proven vital in long term recovery by not only offering the resources that enable the families to move forward but also by providing the support and expertise to guide them through life's challenges and successes.

Please visit our website at [www.tuesdayschildren.org](http://www.tuesdayschildren.org) to view our events, media coverage, family stories and new programs. On behalf of Tuesday's Children and the families we serve, thank you.

Sincerely,

Terry Grace Sears  
Executive Director

*Thank you Lois!*
