Ms. Lois J. Blevins
President & Founder
National Center for Citizen Safety

Dear Ms. Blevins,

I am pleased to hear of your efforts to address the needs of victims and witnesses of domestic terrorism through your recently established non-profit, the National Center for Citizen Safety.

Based on your personal background and the background of your board members it seems you have a good foundation to grow from. I wish you luck in this endeavor.

Sincerely,

C.A. Dutch Ruppensberger
