FUTURES THAT
WORK®

LISA® Leadership and Innovation Skill Assessment

A 30-minute immersive experience

Measures ability to apply skills to real world challenges

Jump starts growth with small-scale steps

Your people want to go further, faster and better.
LISA's data sets the course.

READINESS TO LEARN

Openness to new information
Curiosity and inquiry
Tolerance for uncertainty

COGNITIVE AGILITY

Idea range
Behavioral flexibility
Resilience

COLLABORATION

Behavioral empathy
Openness to diverse perspectives
Leading teams to success

DRIVING CHANGE

Finding opportunities
Problem solving
Decision making

LISA's insights will guide your people to:

ADAPT FASTER in uncertain environments

COLLABORATE AND INSPIRE across teams

LEAD with confidence and clarity

“The only assessment in the market that uses direct skill measurement rather than self-report or personality profiles.”

— Manage HR

Based on National Science Foundation-funded research. Field tested with 10,000+ leaders.
