

CREATING FUTURES THAT WORK®

Meet our Certified Innovation Coaches

Suhair Fakhoury, CPCC and PCC

Suhair is a leadership coach/painter. In 2017, she realized how her leadership style stems from her abstract painting process. Since then, she has become aware of the art dimension as a powerful access point to a higher and more profound level of awareness and existence. Previously, Suhair worked at Accenture which provided her with opportunities to expand into several management roles in the consulting/financial services industries.

Paul Fragala, CFP® and CIMA®

Paul is the Founder and CEO of SteeringStar Wealth, a Private Wealth Advisory practice of Ameriprise Financial, LLC. Since 1994 he has had his own financial advice practice helping people make their goals a reality by making thoughtful choices about and with their money. Paul loves to travel and has a daughter who has developed into a world traveler herself. He enjoys cooking, his art collection and being active on the ski slopes or the bicycle.

Paula Goudsmit, CEO of High Impact Coaching & Consulting

As an executive coach, team and leadership development trainer, Paula accelerates leadership potential to drive performance, engagement and results. She holds a master's degree in organizational development from Boston University, a certificate in Positive Psychology from the Whole Being Institute and is a certified coach through CTI. Paula is excited to offer her clients the CFTW Innovation tool as a skill-based instrument to promote continuous learning and innovation.
