

Voyage of Discovery

For leaders who seek to
heighten their impact
by learning to see
what others miss and
connecting in ways
others don't.

Join us in New York City November 7-9, for a transformative journey.

"A transformative journey..."

...that propels leaders towards sustained professional growth. Participants walk away nurtured in their ability to adapt, innovate and lead with impact."

Dr. Marshall Goldsmith

Thinkers50 #1 Executive Coach/
New York Times bestselling author
of "What Got You Here Won't Get You There, The
Earned Life" and "Triggers"

Voyage of Discovery

This fall, we invite you to join us for a remarkable and inspiring hands-on leadership adventure in New York City, from November 7 – 9.

For 2½ days, we will guide you through unique experiences that engage your personal creativity, heighten your observational powers and unlock your full leadership potential.

You will work with prominent artists in music, theater and visual arts, learning to see what others miss and connecting in ways others don't.

Together, we will experiment, learn, laugh, grow and discover new ways to lead with authenticity and impact.

We look forward to seeing you there!

The real voyage of discovery
consists not in seeking new
landscapes but in having new eyes.

- Marcel Proust

A remarkable learning experience

for **LEADERS** who seek to:

- reawaken and revitalize their creativity
- stimulate self-leadership
- cultivate a future-ready innovation mindset
- strengthen their coaching skills
- empower and elevate their teams
- animate their professional relationships
- powerfully impact their team or organization

Elevate your leadership to a whole new level through deep immersion in the arts!

Dive into sculpture making. Experience a live string quartet performance from inside the ensemble. Dialogue with the great masters at the Whitney Museum. Surface your most authentic voice while bringing poetry to life.

These powerful experiences, amplified by peer learning and reflection, will guide you to:

Refresh and renew the sources of your resilience, self-awareness and inspiration

Discover new ways to impact your most difficult leadership challenges by applying your creativity

Gain new insights into the art of emotionally intelligent team leadership

Strengthen your leadership and innovation mindset

CREATING FUTURES THAT WORK®

The Voyage of Discovery is a program of Creating Futures That Work® the world's leading provider of experiential learning that uses the arts to help organizations improve business performance by helping their leaders develop the skills they need to thrive in the Age of AI.

Harvey helped develop the leadership mindsets and innovation skills of 25,000 leaders at GE's Corotonville Global Leadership Development Center. A classically trained musician, he's also led arts organizations that garnered five Grammy Awards and the Kennedy Center Award. In 2008, Harvey founded the Art of Science Learning, a National Science Foundation-funded research center that uses the arts to spark innovation in science, technology and education.

Fred is a former award-winning senior executive and business model innovator, visual artist, writer, teacher and social entrepreneur. He has developed emotionally resonant ways to teach skills and processes which accelerate innovation through arts-based learning. His series The Leader as Artist has earned the number one rated course at MIT's Sloan Innovation Period program.
