Voyage of Discovery

This fall, we invite you to join us for a remarkable and inspiring creative adventure in New York City, from November 7 – 9.

For 2½ days, we will guide you through unique experiences to engage your personal creativity, heighten your observational powers and unlock your full leadership potential.

You will work with prominent artists in music, theater and visual arts, learning to see what others miss and connecting in ways others don't.

Together, we will experiment, learn, laugh, grow and discover new ways to have impact in life and work.

We look forward to seeing you there!
