Health and Welfare Benefits Trust Administrator Update

Effective September 1, 2025, the Third-Party Administrator (TPA) for the CTA Health and Welfare Benefits Trust will change from Zenith American Solutions to Delta Fund Administrators. New ID cards will be issued, and the Trust will be communicating with participants regarding the transition. It is our understanding that Webex virtual sessions, to walk participants through the transition, will occur in mid-August. Once we have the details, we will make sure REACTA members are informed. There will be no change in benefits at this time.

According to their website, Delta Fund Administrators is an affiliate of Delta Health Systems (no relationship with Delta Dental) and is a privately held company based in Stockton, CA. They have 50+ years as a TPA in California working with multi-employer plans, school districts and unions, such as Imperial County VEBA, Fresno USD and Teamsters. Their focus is to deliver on the unique needs of plans with client-specific dedicated customer service and extensive information available on the member portal of their website.
