### IMPORTANT \*\* Backstage Recital Night

Backstage volunteers will be available to assist and supervise the dancers. Volunteers will NOT be responsible for changing your child in to their costume. If your child needs assistance changing in or out of their costume, you must first obtain a backstage pass upon dropping off your child in the holding room recital night. The backstage pass will give you the ability to come in & out of the backstage area to drop-off, change costumes and pick-up your child.

**Please note: Only parents with backstage passes will be allowed backstage.**

Children, **ages 10+**, requiring a costume change, may go straight to the dressing room after performing their dance. If you would like to assist your child you may meet them in the dressing room.

Children, **ages 9 years or younger**, requiring a costume change, will need to be picked-up from the holding room by the parent with the backstage pass after they've performed.

All students **MUST** report into the holding room as soon as they are ready in their costume. If they are not in the holding room they may not make it to the stage on time. Parents: please remind your kids that they need to **remain in the holding room**. They may not hang-out in the dressing rooms. The show will not stop for a missing dancer.

Send your child with an activity, puzzles or cards to keep them occupied during the show. Please: **NO MARKERS**. A TV monitor will be provided for students and volunteers to watch the show live.

**If your child wishes to sit with you in the theater before or after performing, a recital ticket is required.** Please take this into account before purchasing your tickets.
