- There will be teachers & volunteers backstage to supervise the students. **Teachers will not be responsible for changing children into their costume.** If your child needs assistance changing in or out of their costume, you must obtain a backstage pass when dropping them off so you can come backstage to assist.
- A TV monitor will be provided for students to watch the show live while waiting to go on stage or waiting after they perform.
- **Costume Changes:** Students (**age 10 +**) may go directly to the dressing room following their group dance to change costumes, you may meet them in the dressing room to assist with changing. Students (**age 9 and under**) need to be picked-up in the holding room after they perform to change their costume.
- Students **MUST** report into the holding room as soon as they are ready in costume. If they are not in the holding room, they won't make it to the stage. (**Parents: please remind your kids that they need to stay in the holding room. They cannot hang-out in the dressing rooms, the show will not stop for a missing student**)
- If your child plans to be in the holding room before & after they perform, please send your child with an activity to keep them occupied during the performance.
- **IMPORTANT: If your child plans to sit with you in the audience before or after they perform, they will need a ticket.**

Costumes

Be sure you have the proper tights, and shoes (labeled with your name) to prevent confusion in the dressing rooms. We suggest each student have a garment bag (labeled with their name) to store and protect their costume. Downstage Dancewear sells garment bags. Many students bring a laundry basket labeled with their name to store their accessories, shoes, make-up cases and belongings.

Students should wear a cover-up to protect their costume from make-up stains before and after the performance. Please do not wear jewelry or nail polish unless requested by your teacher.

Stage Make-Up & Hair

Stage make-up is very important. It prevents the performer's face from washing out under the bright stage lights. Stage make-up is usually applied much heavier than normal day-to-day make-up. Please be sure to blend the make-up.

Below is a list of preferred make-up colors that look great on-stage.

Eye Color- Soft brown eye shadow, eye liner and lots of mascara.

Cheek Color- Pink or rose color.

Tips on making a bun: Use a hair net around the bun. Hairspray and lots of bobby pins. Hairnets can be purchased at Downstage Dancewear.

- Photography and/or Video Recording of any kind during the performance is strictly prohibited.
- A videographer will be video recording the Recital Performances.
