About Hongkong Lika Electronics Co. Ltd

Hongkong Lika Electronics Co. Ltd is a quality-focus supplier of rechargeable batteries for portable devices, AC/DC adapters and related products such as laptops, digital camcorders, digital cameras, two-way radios and mobile phone batteries. Our rechargeable batteries are compatible with the most famous brands' products in the world, including Asus, IBM & Lenovo, Fujitsu & Siemens, Toshiba, Samsung, Sony and more.

Volume production

To meet your high-quantity needs, we produce over 20,000 CE- and UL-approved units every month. Our factory is ISO 9001-certified. To ensure batteries and chargers you'll be confident to source, we build our products using components from Japan and South Korea, which are well-known for their advanced electronics technology.

Strong OEM and ODM capability

You can choose products from our product catalog, which we update with at least one new model monthly. Or, you can tell our R&D engineers your specifications directly, who can speak English well and can custom a new sample for you in a short time.

Contact us

You are welcome to contact our sales members, who speak English, German, and Russian. Your ordinary orders can be finished in as fast as a few days. Contact us now.
