Pastor's Corner

We all have "Heroes of the Faith" who help us grow closer to Jesus. This could be a praying grandmother, a kind uncle, or a caring teacher. This month, we are starting a new sermon series about the heroes found in Hebrews 11. We are learning how their stories can make our own faith stronger. I would love to share examples from your lives, too. Please let me know if there is someone special who has helped you on your journey with God!
