Transition To Technology

Transistiontotechnology.com | tepps@transistiontotechnology.com | 202-718-1580

Core Classes (6 weeks)

- Basic Electricity
- Basic Electronics
- Computers 101
- Computer Defense 101
- Cybersecurity 101
- Certifications 101, Resume Building, Interviews

Unlike other courses we develop, manage and foster a Mentorship relationship with students. We will guide and assist students to reaching a rewarding position in the field of Technology.

Mission of Transition To Technology

Our mission is to provide individuals a strong foundation to build upon. The gained knowledge will assist students to enter into the field of Technology and Cybersecurity to make a difference and assist in Agencies Missions.
