Spring Flowers

The **daffodils and crocus** are popping up and I saw a Robin yesterday. There's hope that Spring will come again!

Some of the ladies aid members have Spring Fever. **Louise Donaldson, Linda Younce, Sandy Stein, and Laurie Dilday** took everything out of the attic and sorted through it.

Sandy took some to the Thrift Shop and **Mary Margaret** donated some to school teachers. The attic is all labeled, inventoried and organized by event!

The **ULA board meeting** will be on **Monday, February 7th at 1:00pm**. The regular **membership meeting on Wednesday, February 9th has been cancelled** due to covid concerns.

It's that time again, for the **2022 ULA Membership dues** in the amount of \$25. Thank you sending them in!

A **\$25 check** should be mailed to:

**Utsalady Ladies Aid
P.O. Box 1435
Stanwood, WA. 98292**

FROM THE PRESIDENT

Very sad that **Carol Kruse** and her husband are leaving our community. They have sold their Utsalady home and are moving closer to their family. We are going to miss Carol at the Ladies Aid! She was always so willing to help at every event. Such a lovely lady and great friend.

I had hoped we could begin meeting regularly this month but with so many cases of COVID in our community we will wait another month. **Our next regular meeting will be March 9th.** I miss seeing you all and look forward to having a good year. Start thinking of things we can do as we plan for another great year! I'd love to hear your ideas!

Mary Margaret

Found in the attic!

Maybe the March Raffle Prize?!

*But Gramma, I
asked for a Doll!*

*We'll use it as a decoy
crab. Works every time.*

(More captions anyone?!)

OTHER NEWS

Thank you to the **Sherrie Pastron Family** for their donation to the Ladies Aid. The **Thomas Family Foundation** has also offered a \$1000 scholarship to a girl from Stanwood High School.

Please consider **hostessing a luncheon** with 3 or 4 others. Sign up on the hostess luncheon schedule at our next meeting.

Happy Valentines Day, Ladies
