Happy New Year!

The snow on the mountains and trees is absolutely breathtaking, but it sure complicates life! It's time to remind ourselves of all the great deeds the members of the Ladies Aid have accomplished in 2021.

The December Holiday Party was attended by 39 members who were greeted by wreaths on the doors, a Christmas tree surrounded with raffle gifts and beautiful tables. A delicious lunch was served by the hostesses (the Board) and Linda Younce played Christmas music on a variety of Instruments while we sang.

The January Board meeting and Member Luncheon meeting are **cancelled** due to COVID and weather concerns.

It's that time again, for the **2022 ULA Membership dues** in the amount of \$25. Thank you for all of you that get them sent in January!

A **\$25 check** should be mailed to:

FROM THE PRESIDENT

In spite of problems with COVID, *in 2021 we were able to accomplish a lot for our community.* We were able to give away \$12,785.

A special thank you to Gay Campbell and all the members for their baked good contributions, for putting together a wonderfully successful Bake Sale in December to close out 2021.

Hard to be excited about the new year--just want it to warm up. But we need to hope that the year 2022 will be another good year for ULA. I think we proved that we can continue to be successful no matter the challenges. We need to continue to be proud of the Utsalady Ladies Aid.

Mary Margaret Haugen

The Bake Sale on December 11 raised \$1900! Bravo, Ladies! This is a great way for us to make money. Big thanks to **Gay Campbell** for her hard work, and to those that baked and helped.

Unfortunately, due to COVID concerns, the next baking event in February, Chocolate Warms the Heart, has been cancelled.
