When the **Ladies Aid building** was built it became a gathering place for the community. Families grew up attending many functions and gatherings there.

The Utsalady Ladies Aid became a social outing for those hardworking women. It was an opportunity to dress for the occasion, have lunch, socialize and be entertained.

The Utsalady Ladies Aid serves the same purpose today. So please come to our next meeting, share your ideas, and be a part of that legacy.

FROM THE PRESIDENT

We have a lot to look forward to this year! **The Art Tour will be on Mother's Day weekend** this year and the Board has planned to serve lunches on Friday and Saturday. So mark your calendars, this event has always been so successful because of your help. I am looking for ideas for programs during our meetings.

The **Historic Sites Tour** is scheduled for **August 26th and 27th**. The goal will be to have a historical display in the building. One suggestion would be to feature quilts. Our pioneer women made quilts to raffle to raise money to build our building and support their outreach projects! Would love some volunteers to plan this event.

Other event planned is the 4th of July celebration. I am looking forward to seeing all of you at the March luncheon.

It is probably time to renew your **food handler cards**. They are only valid for 2 years. To handle food, you need to be current with your card. This can be done on line here: <https://www.foodworkercard.wa.gov>

Shop the IGA/TrueValue*

Wonderful news! Camano Island IGA/TrueValue is again **sponsoring the Ladies Aid for the "Round Off Coins" program in March**. Thank you for shopping there, and let's see if we can top last years' donation of \$6,355!
