	54" 60" 72"	54" 60" 72"	84" 96" 108" 120" 132" 144"

Colors

Ultra Fencing, Railing, Gates and Designer Accessories are available in nine classic colors as well as custom specified hues. All colors are applied with a special Powercoat™ finish to resist harsh weather and heat.

Colors shown represent an approximate comparison and may vary slightly from actual product color.

Finish:

Advanced Powercoat™ allows us to produce a high quality, long lasting finish, which is also environmentally friendly. Powercoat is twice the thickness and hardness of a typical baked enamel finish. Meets AAMA 2604-5 standards for the ultimate in durability and UV protection.

Materials:

All Ultra Fence™ components are extruded from Ultrum™ 6005-T5 alloy, with a minimum ultimate strength of 35,000 psi. Every fence system is assembled with stainless steel, corrosion resistant fasteners, with heads painted to match the finish of the fence. Ultra offers posts in a variety of thicknesses, punched to accept the channel on the fence. Designer Accessories are zinc die cast aluminum. All Designer Accessories are Powercoat™ finished.

Ultra Aluminum Lifetime Warranty

Ultra Aluminum™ fence and railing products are guaranteed for life against defects in workmanship and/or materials. The Powercoat™ finish on all fencing and railing by Ultra Aluminum™ is guaranteed for life against cracking, peeling or chipping.

Visit our website for more information and a copy of the warranty.

Environmentally Responsible

Ultra is proud to use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our Powercoat™ coating process is environmentally friendly and virtually pollution-free.
