

Franklin

Madison

Finish:

Our advanced Powercoat™ finish allows us to produce a high quality, long-lasting finish, which is also environmentally friendly. The Powercoat™ finish is twice the thickness and hardness of a typical baked enamel finish. Meets AAMA 2604-5 standards for the ultimate in durability and UV protection.

Materials:

All Ultra Signature™ Collection railing components are extruded from Ultrum™ 6005-TS alloy, with a minimum ultimate strength of 35,000 psi. Every railing system is assembled with hidden stainless steel, corrosion-resistant fasteners. Ultra Signature™ Collection posts come in a variety of thicknesses. Designer Accessories are zinc die cast aluminum. All Designer Accessories are Powercoat™ finished.

Ultra Aluminum Lifetime Warranty

Ultra Aluminum™ fence and railing products are guaranteed for life against defects in workmanship and/or materials. The Powercoat™ finish on all fencing and railing by Ultra Aluminum™ is guaranteed for life against cracking, peeling or chipping. Visit our website for more information and a copy of the warranty.

Environmentally Responsible

Ultra Aluminum™ is proud to use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our Powercoat™ coating process is environmentally friendly and virtually pollution-free.
