Gardening/Primary Backyard Gardening & Composting

Project Leaders - Nicole Smith

Project Member Limit – 8

Project Cost- Provide three 5 gallon buckets and \$5 or less per meeting

Location - Smith Home in Cordelia

Project Description - ● Gardening Fun: We'll plant seeds, nurture our plants, and watch them grow.

From flowers to veggies, we'll discover the wonders of nature as we care for our own mini gardens.

● Composting Magic: We'll learn how to compost with easy-to-find materials, turning food scraps and yard waste into nutrient-rich soil that helps our garden thrive.

● Earth-Friendly Learning: Discover how gardening and composting help our planet, and how we can all make a big difference in caring for the earth, one plant at a time.

Safety Component - Safety will be discussed at every meeting.

Number of Meeting - 6

Meeting Dates – TBD in Sept, Oct, Nov, Feb, Mar, Apr

Wildlife/Primary Birdhouses and Feeders

Project Leaders - Nicole Smith

Project Member Limit – 8

Project Cost- \$5 or less per meeting

Location - Smith Home in Cordelia

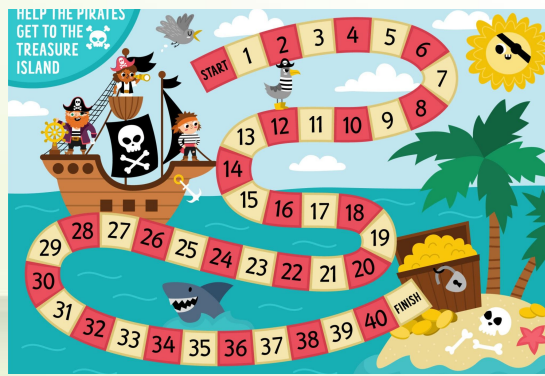

Project Description - • Build Birdhouses and Feeders: Each session, we'll create a new birdhouse or bird feeder, perfect for local birds. You'll learn cool building skills while making something special.

- Learn About Birds: We'll explore the different types of birds that live near us and how they play an important role in the environment. What do birds eat? Where do they live?
- Bird Care: Learn how we can help care for birds, from feeding them to creating safe spaces where they can thrive. You'll leave with the knowledge of how to take care of our local bird population and make the world a better place for them.

Safety Component - Safety will be discussed at every meeting.
