

## McBride Family 4-H Community Pride: Supporting Zinger Ranch Farm Sanctuary

Zinger Ranch Farm Sanctuary in Vacaville, California provides a safe home for over 150 rescued farm animals. The sanctuary also brings animals into the community to visit schools, camps, senior homes, rehabilitation centers, and first responders—providing comfort and happiness through therapeutic animal experiences.

The sanctuary spends approximately \$3,500 each month caring for the animals, and their monthly hay delivery alone costs about \$800. Donations help provide food, medical care, shelter, and supplies.

### How People Can Help

Zinger Ranch accepts donations through **Venmo**, and they also have online wish lists on **Amazon and Chewy** where people can send supplies directly to the animals.

Gift cards are also helpful, especially from stores like **Tractor Supply and Western Ranch & Pet**, where they regularly purchase feed and farm equipment.

Even small donations can help provide food and care for the animals living at the sanctuary.
