We offer a unique frame collection only available through Thundercloud Optical, Dream Catcher.

DREAM CATCHER

Dream Catcher frames are designed by our in-house Native designers and are inspired by the Native American culture, outdoor lifestyles, and the environment. Dream Catcher frames are made with high quality materials and come in men's and women's styles. We style our designs for maximum comfort for the Native population and currently feature eye sizes between 52 mm - 60 mm for adults. We offer frames that have become beloved over the years and add new frames frequently to ensure we are reflecting the current trends in style and color.
