In his presentation, 'I AM Destined For Greatness'. Empowerment Speaker and Coach James Trower uses memorable stories and timely humor to share his life experiences and how he turned a mess, into a message.

I AM destined for greatness is a program designed to inspire and empower you to a greater degree of insights and truths about what is actually possible.

You will be on the edge of your seat from start to finish, and in the end, you will walk away hopefully with a new perspective on life.

Bio

While growing up in New York as a foster kid James had no one to guide him in the right direction or protect him from abuse. In high school James met a teacher that saved his life, inspired him, and planted the seed of greatness in his mind. James now travels the country paying it forward with one mission in mind. To plant seeds of greatness in the mind of humanity.
