VII. Public Comment
A Janelle Hill
Janelle Hill: Her daughter is not learning the language, showed concern about her daughter's teacher. Feels that children are regressing and not improving; not bringing home work, her daughter is fighting where she didn't before; coming home with bruises on her abdomen. Intercession was changed and family was not given ample time to arrange other childcare options. She is willing to come and help if given enough notice. Dawn LaRoque: Feels the same way as Janelle regarding her daughter's learning. What is she learning academically, she believes in Bdote and wants her daughter here. Board responds that all concerns will be addressed. Bdote would like to have parents as part of the board and an invitation to serve on the board will be sent out.
