The Association shall have the following rights with regard to the Areas of Common Responsibility:

A. the right to dedicate or transfer all or any part of the Areas of Common Responsibility to any public agency or authority subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless (a) an instrument of agreement to such dedication or transfer, signed by the Association after receiving the approval of two-thirds (2/3) of the outstanding votes of each class of Members entitled to vote (determined pursuant to Section 3.2 hereof), is properly recorded in the Real Property Records of the County, (b) a written notice of proposed action under this Section is sent to every Owner (including Lienholder or Mortgagees) not less than thirty (30) days, nor more than sixty (60) days in advance of said action, and (c) the City consents in writing to the dedication or transfer;

Areas of Common Responsibility.

2.2. Title to Areas of Common Responsibility. After the recordation of this Declaration Declarant may, in Declarant's sole option, convey to the Association, without consideration, all right, title and interest of Declarant in and to the Areas of Common Responsibility owned by Declarant. Nothing contained herein shall create an obligation on the part of Declarant to establish any additional common areas or Areas of Common Responsibility.

ARTICLE III.

ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

3.1. Membership. Declarant, during the time it owns any Lots, and each person or entity who is a record Owner of a fee or undivided fee interest in any Lot shall be a Member of the Association. The foregoing is not intended to include persons or entities that hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from any ownership of any Lot which is subject to assessment by the Association. Transfer of ownership, either voluntarily or by operation of law, shall terminate such Owner's membership in the Association, and membership shall be vested in the transferee; provided, however, that no such transfer shall relieve or release such Owner from any personal obligation with respect to assessments which have accrued prior to such transfer.

3.2. Voting Rights. The Association shall have two classes of voting membership.

A. **Class "A".** The Class "A" Members shall be all Owners except Declarant so long as Declarant is a Class "B" Member pursuant to Section 3.2(b) below. The Class "A" Members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

B. **Class "B".** The Class "B" Member shall be Declarant. Declarant shall be entitled to ten (10) votes for each Lot owned; provided however that Declarant shall cease to be a Class "B" Member and shall become a Class "A" Member entitled to one (1) vote per Lot on the happening of the earlier of the following events:

- (1) when the total votes entitled to be cast of the Class "A" Members equals the total votes entitled to be cast of in the Class "B" Members, or
- (2) the expiration of ten (10) years from the recording date of this instrument in the Real Property Records of the County, or
- (3) when the Declarant, in its sole discretion, so determines.

Notwithstanding the foregoing, Class "B" membership shall be reinstated at any time before the expiration of twenty (20) years from the recording date of this instrument in the Real Property Records of the County if additional Lots owned by Declarant are added or annexed to the scheme of this Declaration in sufficient numbers to restore the ratio of Lots owned by Declarant to the number required for Class "B" membership pursuant to this Section 3.2.

3.3. No Cumulative Voting; Eligibility to Vote. At all meetings of the Association, there shall be no cumulative voting. Prior to all meetings, the Board of Directors of the Association (the "Board of Directors", or the "Board") shall determine the total number of votes outstanding and entitled to vote by the Members. Eligibility to vote or serve as a representative, director or officer of the Association shall be predicated upon being a Member who must be in good standing with the Association. To be in good standing, the Member must have all assessments of every type and category paid up to date and have no outstanding financial obligations to the Association that are delinquent. Additionally, no Member shall be allowed to vote or hold office if that Member is noted within the records of the Association to have a current deed restriction violation on one or more Lots in the Development.

3.4. Association's Powers. In addition to the rights of the Association set forth in other sections of this Declaration, the Association shall have the duty to enforce the covenants, conditions and restrictions under this Declaration and maintain all Areas of Common Responsibility and shall have the right, power, and authority to do any act which is consistent with or required by the provisions of this Declaration or the Bylaws of the Association (the "Bylaws"), whether the same be expressed or implied, including but not limited to the following:

- A. The power to levy and collect Assessments (as hereinafter defined), of whatever nature for the maintenance, repair or replacement of the Areas of Common Responsibility and for such other purposes as are herein provided;
- B. The power to keep accounting records with respect to the Association's activities;
- C. The power to contract with and employ others for maintenance and repair; and
- D. The power to adopt rules and regulations concerning the operation of the Association including "fee-for-use" provisions or similar provisions for the use of any amenity center or recreation facility such as any swimming pool or recreational playing fields.

3.5. Notice and Quorum for any Action Authorized Under This Declaration. Written notice of any meeting called for the purpose of taking any action authorized under this Declaration shall be given to all Members not less than ten (10) days or more than sixty (60) days in advance of such meeting. At such meeting, the presence of Members or of written proxies entitled to cast twenty-five percent (25%) of all the votes entitled to be cast by Members of the Association entitled to vote shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

3.6. City's Rights. Should Declarant, the Association or its Board fail or refuse to maintain such Areas of Common Responsibility to City specifications for an unreasonable time, not to exceed ninety (90) days after written request to do so, the City, by and through a majority of the City Council members, shall have the same right, power and authority as is herein given to the Association and its Board to enforce this Declaration and levy Assessments in the manner set forth herein. It is understood that in such event, the City may elect to exercise the rights and powers of the Association or its Board, to the extent necessary to take any action required and levy any Assessment that the Association might have, either in the name of the Association, or otherwise, to cover the cost of maintenance of such Areas of Common Responsibility.

3.7. Amenities. Notwithstanding anything set forth in this Declaration to the contrary, the

Association may in its discretion permit parties other than Owners or parties living in the Development to have access to and use and enjoy any amenity center or recreational facility constructed in the Common Area, such as any swimming pool or recreational playing fields, upon such terms and conditions reasonably established by the Association, including establishing a "fee-for-use" or similar charges.

ARTICLE IV.

ASSESSMENTS, MAINTENANCE FUND AND ASSESSMENT LIENS

4.1. Creation of the Lien and Personal Obligation of Assessments. Subject to the terms hereof, each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be expressed in any such deed or other conveyance, covenants and agrees to pay to the Association: (i) regular assessments or charges (ii) charges in connection with the transfer of a Lot, and (iii) special assessments (collectively, the "Assessments"). Such Assessments are to be fixed, established and collected as provided herein. Assessments, together with such interest thereon, costs of collection thereof, and costs of enforcement of this Declaration, as hereinafter provided, shall be a charge on the Lot and shall be secured by a continuing lien which is hereby created and impressed for the benefit of the Association upon the Lot against which each such Assessment is made. Each such Assessment, together with such interest costs and reasonable attorney's fees for the collection thereof, shall also constitute a personal obligation of the person or entity that was the record Owner of such Lot at the time of the Assessment. The personal obligation for delinquent Assessments shall not pass to successors in title unless expressly assumed by such successors; however, the lien upon the Lot shall continue until paid.

4.2. Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the Owners of the Lots, the improvement and maintenance of the Areas of Common Responsibility and any other property owned by the Association, and the performance and/or exercise of the rights and obligations of the Association arising hereunder. Assessments shall include, but not be limited to, funds to cover actual Association costs (including reasonable reserves) for all taxes, insurance, repair, replacement, maintenance and other activities as may from time to time be authorized by the Board of Directors; legal and accounting fees, and any fees for management services; expenses incurred in complying with any laws, ordinances or governmental requirements applicable to the Association or the Property; reasonable replacement and other reserves; and the cost of other facilities and service activities, including, but not limited to, mowing grass, grounds care, sprinkler system, landscaping, and other charges required or contemplated by this Declaration and/or that which the Board of Directors shall determine to be necessary or prudent to meet the primary purpose of the Association, including the establishment and maintenance of a reserve for repair, maintenance, taxes and other charges as specified herein.

4.3 Basis and Maximum of Annual Assessments and Assessments on Sale of Lots.

(a) Commencing as of the date of sale of the first lot sold within the Development, the regular maximum annual Assessment shall be an amount not to exceed **\$450.00** per Lot.

(b) From and after January 1 of the first full year after the date of recordation of this Declaration and each year thereafter, the maximum regular annual assessment may be increased by an amount up to twenty percent (20%) over the preceding year's regular annual assessment solely by the Board of Directors. Any increase over and above 20% of the previous year's regular annual assessment shall be done only by the prior written approval of sixty-six and two-thirds percent

(66-2/3 %) of the outstanding votes (determined pursuant to Section 3.2 hereof) held by the Members at a meeting at which a quorum is present.

(c) In addition to the regular annual assessment, each and every time a Lot in the Development is sold an additional assessment of **\$100.00** and the pro-rata share of annual assessments due on such Lot shall be paid to the Association by the purchaser of the Lot at the closing of each sale of said Lot.

4.3. Special Assessments. In addition to the regular Assessment, the transfer fees and capital improvement reserve fee payable on the sale of Lots authorized above, the Association may levy, in any assessment year, a Special Assessment (herein so called) applicable to that year only, for the purpose of defraying, in whole or in part, the costs incurred by the Association pursuant to the provisions of this Declaration, provided that any such Special Assessment shall have the prior approval of sixty-six and two-thirds percent (66-2/3%) of the outstanding votes of each class of Members entitled to vote (determined pursuant to Section 3.2 hereof) present at a meeting at which a quorum is present. Any Special Assessments shall be prorated based on the period of time the Owner owns the Lot during such year.

4.4. Uniform Rate of Assessment. Both the regular and Special Assessments shall be fixed at a uniform rate for all Lots, and shall commence and be due in accordance with the provisions of Section 4.6 hereof. Each Owner, (other than Declarant who may pay the deficiency described below), shall pay one hundred percent (100%) of such Owner's the Assessments for each Lot owned.

4.5. Date of Commencement of Regular Assessments; Due Dates.

A. The obligation of Owners to pay regular assessments provided for herein shall commence as to each Lot upon its conveyance by Declarant to any person or entity that is not affiliated with Declarant. The Assessments shall then be due on such payment dates as may be established by the Board of Directors. Assessments shall be due and payable on an annual basis unless otherwise designated by the Board of Directors.

B. Declarant is not required to pay Assessments with respect to the Lots owned by Declarant. Declarant may, but shall have no obligation to, pay any deficiency resulting from the expenses of the Association exceeding the amount of the Assessments received from the Owners.

C. Unless provided above, the regular Assessments for the first Assessment year shall be fixed by the Board of Directors prior to the sale of the first Lot to an Owner other than Declarant or a Builder. Except for the first Assessment year, the Board of Directors shall fix the amount of the regular Assessment at least thirty days in advance of each Assessment year, which shall be the calendar year; provided, however, that the Board of Directors shall have the right to adjust the regular Assessment upon thirty days written notice given to each Owner, as long as any such adjustment does not exceed the maximum permitted pursuant to Section 4.3 hereof. Written notice of the regular Assessment shall be given as soon as is practicable to every Owner subject thereto. The Association shall, upon demand at any time, furnish a certificate in writing signed either by the President, Vice President, Treasurer or other authorized representative of the Association setting forth whether the regular and Special Assessments on a specified Lot have been paid and the amount of any delinquency. A reasonable charge may be made by the Association for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

D. No Owner may exempt himself from liability for Assessments by waiver of the use or enjoyment of any portion of the Development or Areas of Common Responsibility or by abandonment of his Home or any Lot or improvements thereon.

4.6. Effect of Non-Payment of Assessments; Remedies of the Association.

A. All payments of the Assessments shall be made to the Association at its principal place of business or at such other place as the Association may otherwise direct or permit. Payment shall be made in full regardless of whether any Owner has any dispute with Declarant, a Builder, the Association, any other Owner or any other person or entity regarding any matter to which this Declaration relates or pertains. Payment of the Assessments shall be both a continuing affirmative covenant personal to the Owner and a continuing covenant running with the Lot.

B. Any Assessment provided for in this Declaration which is not paid when due shall be delinquent. If any such Assessment is not paid within thirty (30) days after the date of delinquency, the Assessment shall bear interest from the date of delinquency (with no notice required to be given), until paid, at the rate of eighteen percent (18%) per annum or the maximum rate allowed by law, whichever is the lesser. The Association may, at its option, bring an action at law against the Owner personally obligated to pay the same, or, upon compliance with the notice provisions hereof, foreclose the lien against the Lot as provided in Subsection 4.7(d) hereof. If any Owner is delinquent in paying its Assessments more than once in any twelve (12) month period, then in addition to the other rights and powers granted herein, the Board of Directors may impose a fine not to exceed \$500.00 for each such delinquent payment. There shall be added to and included in the amount of such Assessment any and all expenses or costs incurred by the Association in collecting any delinquent Assessment and foreclosing such lien, including said interest, fines, and reasonable attorneys' fees. Each Owner vests in the Association or its assigns, the right and power to bring all actions at law or in equity foreclosing such lien against such Owner. Under no circumstances, however, shall Declarant or the Association be liable to any Owner or to any other person or entity for failure or inability to enforce any Assessments.

C. No action shall be brought to foreclose said Assessment lien or to proceed under the power of sale herein provided in less than thirty (30) days after the date a notice of claim of lien is deposited with the United States Mail, postage prepaid, certified or registered mail, return receipt requested, addressed to the Owner of said Lot, and a copy thereof is recorded by the Association in the Office of the County Clerk of the County; said notice of claim must recite a good and sufficient legal description of the Lot, the record Owner or reputed Owner thereof, the amount claimed (which may, at the Association's option, include interest on the unpaid Assessment at the rate set forth herein, plus attorney's fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the Association.

D. Any such sale provided for above is to be conducted in accordance with the provisions applicable to the exercise of powers of sale in mortgages and deeds of trust, as set forth in Section 51.002 of the Property Code of the State of Texas (as it may be amended from time to time), or in any other manner permitted by law. Each Owner, by accepting a deed to a Lot, expressly grants to the Association a power of sale as set forth in said Section 51.002 of the Property Code, in connection with the Assessment lien. The Association, through duly authorized agents, shall have the power to bid on the Lot at foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

E. Upon the timely curing of any default for which a notice of claim of lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate release of such notice, upon payment by the defaulting Owner of a fee, to be determined by the Association but not to exceed the actual cost of preparing and filing or recording the lien and the release. The Assessment lien and the right to foreclosure sale hereunder shall be in addition to and not in substitution of all other rights and remedies which the Association and its successors or assigns may have hereunder and by law, including the right of suit to recover a money judgment for unpaid Assessments, as above provided.

F. In addition to the other rights and powers granted herein, the Board of Directors may suspend the right of an Owner to use any of the Areas of Common Responsibility during the period such Owner is delinquent in paying any Assessments. No Owner shall have the right to vote as a Member of the Association during the period that such Owner is delinquent in paying any Assessments. The Board of Directors may require that any delinquent Assessments be paid by cashiers or certified check or other good funds acceptable to the Board of Directors.

4.7. Subordination of Lien to Lienholders. The lien securing the Assessments provided for herein shall be expressly subordinate to the lien of any Lienholder. The sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot subject to a Lienholder mortgage pursuant to a decree of foreclosure or a non-judicial foreclosure under such Lienholder mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such Assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessment thereafter becoming due, in accordance with the terms herein provided.

4.8. Management Agreements. The Association shall be authorized to enter into management agreements with third parties in connection with the operation and management of the Development and the performance of its obligations hereunder. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by the Association shall provide that said management agreement may be canceled with or without cause and without penalty by either party with thirty (30) days written notice. Any and all management agreements shall be for a term not to exceed one year and shall be made with a professional and responsible party or parties with proven management skills and experience managing a project of this type. The Association may, at its discretion, assume self management of the Development by the Association.

4.9. Insurance Requirements. The Association shall obtain insurance policies covering the Areas of Common Responsibility and covering all damage or injury caused by the negligence of the Association, and any of its employees, officers, directors and/or agents, and such insurance may include commercial general liability insurance, directors and officers liability insurance, and such other insurance as the Association may from time to time deem necessary or appropriate.

The members of the Committee shall serve until they resign or are removed by the party appointing them to the Committee (which the appointing party may do at any time).

Subsequent appointments to the Committee shall be made by Declarant until such time as Declarant either relinquishes such power by written notice to the Board of Directors or all of the Lots owned by Declarant (as the same may be added or annexed to this Declaration) have been sold by Declarant; thereafter, appointments and removals from the Committee shall be made by the Board of Directors for such term as they shall designate.

5.2. Submission of Plans to Architectural Control Committee. No Home, building, fence, wall, parking area, hardscape, swimming pool, spa, pole, driveway, fountain, landscaping, out-building, sprinkler system, exterior color or shape, or other improvement of any kind or type, or any alteration, addition to, change or modification of any of the foregoing, shall be constructed, erected or maintained upon any Lot or the patio or garage used in connection with any Lot after such Lot has been sold by Declarant until the plans and specifications showing the nature, kind, color, shape, height, materials and location of the same are submitted to and approved in writing by the Committee. Plans and specifications shall be submitted to the Committee at least fourteen (14) days prior to the commencement of any such construction or modification. Two (2) copies of the following shall be submitted for approval: a site plan showing the entire Lot with existing improvements, and floor plan and elevations of all faces of the proposed structure, a description of all exterior construction materials and such other materials, including engineering plans, if necessary, as the Committee shall reasonably require in order to enable the Committee to fully evaluate the proposed construction or modification. A copy of the above described plans and specifications may be retained by the Committee.

5.3. Approval of Plans. The Committee shall review the plans and specifications and notify the Owner in writing of its approval or disapproval. If the Committee fails to approve or disapprove said plans and specifications in writing within thirty (30) days after the same has been submitted to it, they will be deemed to have been approved by the Committee. Any disapproval shall set forth the elements disapproved and the reason or reasons thereof. The Committee shall not have unbridled discretion with respect to taste, design and the standards set forth herein, but shall use commercially reasonable efforts to promote and ensure a high level of taste, design quality, aesthetic harmony, and conformity throughout the Property, consistent with standards established by this Declaration. The judgment of the Committee in this respect shall be final and conclusive and the Owner shall promptly correct the plans and specifications (if disapproved) and resubmit them for approval. 7.5. Amendment.

A. This Declaration may be amended or modified upon the express consent of at least sixty-six and two-thirds percent (66-2/3%) of the outstanding votes of each class of Members entitled to vote (determined pursuant to Section 3.2 hereof) present at a meeting at which a quorum is present; provided, however, so long as Declarant continues as a Class "B" Member, this Declaration may not be amended without first obtaining the prior written consent of Declarant as evidenced by Declarant's execution of the recorded amendment instrument. If the proposed amendment involves a modification of any of the Association's agreements, covenants or restrictions pertaining to the use, maintenance, operation and/or supervision of any Areas of Common Responsibilities, the approval of the City must also be obtained for such amendment if required by applicable City ordinances or regulations. Any and all amendments, if any, shall be recorded in the Real Property Records of the County. The rights created herein are unique and enforceable by specific performance. In addition to any remedies at law or equity available hereunder, each Owner may also be subject to a fine to be levied by the Association and determined by the Board of Directors (to be collected by the Association) for each day that such Owner fails to comply with covenants, conditions and restrictions contained herein (other than for nonpayment or delinquency in Assessments). Such fine levied by the Association shall be due and payable at such time as is designated by the Board of Directors. All fines levied by the Association at the time levied shall be added to and included in the amount of the Assessment due from such Owner and shall be subject to the same remedies and rights of enforcement as Assessments set forth in this Declaration.

7.8. Notices to Owner. Any notice required to be given to any Owner under the provisions of this Declaration shall be deemed to have been properly delivered forty-eight (48) hours after deposit in the United States Mail, postage prepaid, certified or registered mail, return receipt requested, and addressed to the last known address of the person who appears as Owner in the public records at the time of such mailing.

Management and governance of the Association shall be implemented and/or undertaken in accordance with its Articles of Incorporation, in accordance with this Declaration, and in accordance with the Bylaws which shall be adopted by the Association following its formation. The Association shall make available copies of the Declaration, Bylaws, Articles of Incorporation, rules and regulations governing the Association as well as the books, records and financial statements of the Association for inspection by Owners or any Mortgagee during regular business hours or other reasonable times.

7.11. Indemnity. 7.12. FHA/VA Approval Requirement. As long as there remains any Class "B" Member and any first lien mortgage is in effect with respect to any Lot which is insured by FHA or VA, the following actions shall require prior approval of FHA or VA if such approval is required under the then applicable FHA or VA regulations: amendment of the Articles of Incorporation, Declaration or Bylaws; mortgaging or dedication of the Areas of Common Responsibility; annexation of additional properties; and dissolution of the Association.

7.13. Failure of Declarant or Association to Perform Duties. Should Declarant or the Association fail to carry out its duties as specified in this Declaration, the City or its lawful agents shall have the right and ability, after due notice to Declarant or the Association, to remove any landscape systems, features or elements that are the responsibility of and cease to be maintained by Declarant or the Association, as applicable; to perform the responsibilities of Declarant or the Association, as applicable, if such party fails to do so in compliance with any of the provisions of this Declaration or of any applicable City codes or regulations; to assess Declarant or the Association, as applicable, for all costs incurred by the City in performing said responsibilities if Declarant or the Association, as applicable, fails to do so; and/or to avail itself of any other enforcement actions available to the City pursuant to state law or City codes and regulations. Should the City exercise its rights as specified above, the party failing to perform shall indemnify and hold harmless the City from any and all costs, expenses, suits, demands, liabilities or damages, including attorney's fees and costs of suit, incurred or resulting from the City's removal of any landscape systems, features or elements that cease to be maintained by Declarant or the Association, as applicable, or from the City's performance of the aforementioned operations, maintenance or supervision responsibilities. The obligations described in this paragraph are solely obligations of the Association (and Declarant if Declarant remains so obligated), and no other party, including without limitation, Declarant (assuming Declarant is no longer so obligated) or any Owner, shall have any liabilities or obligations in connection therewith.

7.14. Binding Effect. Each of the conditions, covenants, restrictions and agreements herein contained is made for the mutual benefit of, and is binding upon, each and every person acquiring any part of the Property, it being understood that such conditions, covenants, restrictions and agreements are not for the benefit of the owner of any land except land in the Development. This Declaration, when executed, shall be filed of record in the Real Property Records of the County so that each and every Owner or purchaser of any portion of the Property is on notice of the conditions, covenants, restrictions and agreements herein contained. In the event any of the Lots in the Development have been conveyed to third parties prior to the recordation of this Declaration, such Lots may be encumbered by and fully subject to all of the terms, covenants, conditions and restrictions set forth in this Declaration upon the executed consent of such third parties, which such consent shall be filed of record in the Real Property Records of the County.

7.15. Recorded Plat; Other Authorities. All dedications, limitations, restrictions and reservations that are shown on the Plat are deemed to be incorporated herein and shall be construed as being adopted in each contract, deed or conveyance executed or to be executed by Declarant or any Owner, conveying the Lots, whether specifically referred to therein or not. If other authorities, such as the City or the County, impose more demanding, expensive, extensive or restrictive requirements than those that are set forth herein (through zoning or otherwise), the requirements of such authorities shall be complied with. Other authorities' imposition of lesser requirements than those that are set forth herein shall not supersede or diminish the requirements that are set forth herein.

7.16. Additions to the Development. Additional property may become subject to this Declaration in any of the following manners:

A. Declarant may without the joinder, approval or consent of any person(s) or entity(ies) add or annex additional real property to the scheme of this Declaration by filing of record a Supplementary Declaration of Covenants, Conditions and Restrictions which shall extend the scheme of this Declaration to such property, provided, however, that such Supplementary Declaration may contain such complementary additions and modifications of the covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added properties and as are not inconsistent with this Declaration.

B. In the event any person or entity other than Declarant desires to add or annex additional residential and/or common areas to the scheme of this Declaration, such annexation must have the prior written consent and approval of the majority of the outstanding votes within each voting class of the Association. Any additions made pursuant to paragraphs (a) and (b) of this Section, when added, shall automatically extend the jurisdiction, functions, duties and membership of the Association to the properties added.

C. Declarant shall have the right and option, without the joinder, approval or consent of any person(s) or entity(ies) to cause the Association to merge or consolidate with any similar association then having jurisdiction over real property located (in whole or part) within 1 mile of any real property then subject to the jurisdiction of the Association. Upon a merger or consolidation of the Association with another association, its properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the covenants and restrictions established by this Declaration within the Property together with the covenants and restrictions established upon any other properties as one scheme.

D. In determining the number of Lots owned by Declarant for purposes of Class "B" membership status according to Section 3.2 above, the total number of Lots covered by this Declaration including all Lots added or annexed thereto shall be considered. If Class "B" membership has previously expired due to the ratio provisions set forth in Section 3.2(b)(i) above, but addition or annexation of additional property or Lots restores the ratio of Lots owned by Declarant to the number required for Class "B" membership within the period provided in Section 3.2, such Class "B" membership shall be reinstated.

7.17. **No Warranty of Enforceability.** While Declarant has no reason to believe that any of the restrictive covenants or other terms or provisions contained in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenants or other terms or provisions contained in this Declaration. Any Owner acquiring a Lot in the Development in reliance on one or more of such restrictive covenants, terms or provisions shall assume all risks of the validity and enforceability thereof and, by acquiring the Lot, agrees to hold Declarant, the Association and the Committee harmless therefrom. Declarant shall not be responsible for the acts or omissions of any individual, entity or other Owners.

7.18. **Right of Enforcement.** The failure by Declarant, the Association or the Committee to enforce any provision of this Declaration shall in no event subject Declarant, the Association or the Committee to any claims, liability, costs or expense; it being the express intent of this Declaration to provide Declarant with the right (such right to be exercised at its sole and absolute discretion), but not the obligation to enforce the terms of this Declaration for the benefit of any Owner(s) of any Lot(s) in the Development.

7.19. **Residential Construction Liability Act.** Intentionally Omitted.

7.20. **EPA Compliance.** The Owner of each Lot agrees to comply with all EPA rules and regulations regarding erosion control and compliance with a Storm Water Pollution Prevention Plan

affecting the Lots (the "Plan") which will include elements necessary for compliance with the nationwide general permit for construction activities administered by the EPA under the National Pollutant Discharge Elimination System. Each Owner acknowledges that Declarant will not bear any responsibility for complying with a Plan on any Lot after the sale of each Lot in the Development.

7.21. Soil Movement. Each Owner acknowledges that the failure or excessive movement of any foundation of any Home in the Development can result in the diminished value and overall desirability of the entire Development. Each Owner agrees and understands that the maintenance of the moisture content of the soils on each Lot is necessary to preserve the structural integrity of each Home in the Development. Each Owner also acknowledges that the long term value and desirability of the Development is contingent upon each Owner maintaining its Home so that no structural failure or excessive soil movement occurs within the Development.

EACH OWNER IS HEREBY NOTIFIED THAT THE SOIL COMPOSITION IN NORTH TEXAS IN GENERAL AND THE DEVELOPMENT IN PARTICULAR AND THE CONDITION OF THE LOTS MAY RESULT IN THE SWELLING AND/OR CONTRACTION OF THE SOIL IN AND AROUND THE LOT IF THE OWNER OF THE LOT DOES NOT EXERCISE THE PROPER CARE AND MAINTENANCE OF THE SOIL REQUIRED TO PREVENT SOIL MOVEMENT.

Each Owner shall use a professional, licensed engineer for the planning and engineering of all foundations located on the Owner's lot.

If the Owner fails to exercise the necessary precautions, damage, settlement, movement or upheaval to the foundation and structural failure may occur. Owners are highly encouraged to install and maintain proper irrigation around their Home or take such other measures to ensure even, proportional, and prudent watering around the foundation of the Home.

By each Owner's acceptance of a deed to any Lot, each Owner, on behalf of Owner and Owner's representatives, successors and assigns, hereby acknowledges that Declarant shall not be responsible or liable for, and Owner shall assume all risk and consequences of, any damage, settlement, movement or upheaval to the foundation, structural failure, or any damage to any other part of the Home caused by Owner's failure to exercise proper care and maintenance of the soil required to prevent soil movement, and hereby releases and forever discharges Declarant and their respective shareholders, members, officers, directors, partners, employees, agents, representatives, affiliates, attorneys, successors and assigns, of and from any and all claim for the relief and causes of actions, liabilities, damages and claims whatsoever, known or unknown, direct or indirect, arising from or relating to Owner's failure to exercise proper care and maintenance of the soil required to prevent soil movement, including but not limited to, any damage caused by or related in any fashion to the failure or improper or uneven watering of the Lot, planting of improper vegetation near the foundation, or any action by any Owner that affects the drainage of any Lot.

7.22. Compliance with Laws. At all times, each Owner shall comply with all applicable federal, state, county, and municipal laws, ordinances, rules, and regulations with respect to the use, occupancy, and condition of the Property and any improvements thereon. If any provision contained in this Declaration or any amendment is found to violate any law, then the provision shall be interpreted to be as restrictive as possible to preserve as much of the original provision as allowed by law.

7.23 Exhibits. All exhibits are fully incorporated into this Declaration
