

# POSITIVE PIXELS' ROADMAP

2 frens want to better their world;  
"Positive Pixels" is created to bring  
positivity, goodwill, and overall  
goodness to the web3 community  
and all around the world!!!

Creation of unique, cute AF  
artwork for Positive Pixels'  
very 1<sup>st</sup> awesome collection,  
"Celestial Creatures"

"X" account launch featuring  
regular updates, sneak peeks,  
and behind the scenes insights!

Website launch serving as a hub for  
all info related to "Positive Pixels"

Positive Pixels' official discord server  
launch. Focused on fostering our  
community and encouraging positive  
interaction among all our new BFFs!

"Celestial Creatures" mints on Solana  
blockchain; life is oh-so-good frens!

"Celestial Creatures" DAO is formed  
in recognition of the importance of  
giving our community a voice and so  
as to empower the holders.

Kickstart charitable contributions  
distributed on a monthly basis with DAO  
votes helping us decide which charities  
will receive said donations.

First release of our monthly newsletter to  
keep our frens up to date on all the positivity  
that we are spreading all around the world; both  
through web3 and IRL!

Hold exclusive, holders-only-game-nights twice  
a month with a variety of prizes for the winners!

"Celestial Creatures" sweet merch drop, with  
exclusive merch for our NFT holders.

2<sup>nd</sup> NFT collection release! This second collection  
will help to expand the reach of our web3 community  
building, and the real work philanthropy that drove  
us to start Positive Pixels!

Continuing to innovate and grow our community and  
the positive impact we have on web3 and the world!

DAO's votes  
will help to  
influence  
the path of  
Positive  
Pixels

world domination!
