

THE SAFE WOMAN

Safety for Women by Women.
Built for Real Life.

ORGANISATIONAL LICENSING

Embed women's safety.
Build internal capability.
Deliver consistently.

A licence turns a one-off workshop into a sustainable organisational capability.

Your organisation can train approved women to deliver The Safe Woman Method™ internally, using a complete professional framework that protects quality, consistency and participant safety.

WHAT THE LICENCE PROVIDES

1 THE SAFE WOMAN METHOD™

A clear, memorable decision-making framework for real-life women's safety.

2 INSTRUCTOR LICENSING

Structured training, assessment, approval and annual professional renewal.

3 COMPLETE MATERIALS

Workshop slides, instructor notes, participant resources, forms and delivery tools.

4 GOVERNANCE & QA

Standards, risk management, safeguarding, quality assurance and incident learning.

5 INSTRUCTOR HUB

Controlled access to current materials, updates, forms, CPD and professional support.

6 ORGANISATIONAL SUPPORT

Implementation guidance, launch support and ongoing access to The Safe Woman.

HOW THE ARRANGEMENT WORKS

1

Agree scope

Sites, audiences, instructor numbers and implementation plan.

2

Nominate instructors

Your organisation selects suitable women to be trained and assessed.

3

Train & assess

Instructor development, practical assessment and professional sign-off.

4

Licensed delivery

Approved instructors deliver the programme using controlled materials.

5

Quality & renewal

Feedback, CPD, updates, annual declaration and licence renewal.

WHY ORGANISATIONS CHOOSE LICENSING

ORGANISATIONAL BENEFITS

- Creates a consistent, repeatable standard across teams and locations
- Builds trusted internal capability rather than relying only on external delivery
- Supports duty of care, wellbeing, safeguarding and inclusion strategies
- Scales efficiently as demand grows

QUALITY & PEOPLE BENEFITS

- Protects the integrity and psychological safety of the programme
- Keeps instructors current through updates, CPD and annual renewal
- Provides clear governance, escalation and incident-learning routes
- Gives women access to practical education delivered by trained peers

CLEAR PROFESSIONAL RELATIONSHIP

Licensed instructors remain employed or engaged by your organisation. The licence grants permission to deliver the approved programme under The Safe Woman Standard™; it does not create employment with The Safe Woman Ltd.
