

Sunflower Members

Becoming a Sunflower Member costs £5,000+vat and that covers the business you are in for three years under our Term Agreement.

Why become a Member?

Becoming a Sunflower Member allows you access to the Sunflower Bath and Regions Folder, giving you access to a professional marketing resource with 2000 Film Clips to download, edit, post, share, to fulfil all of your marketing needs.

The Resource grows by at least 500 Film Clips a year, and those Film Clips are instantly available to your business as soon as we process and upload them after shoots. They are ready to use, in the formats you need them, all within the existing investment you have made to become a Member.

What other benefits are there for your business?

Prior to the founding of the Sunflower Members Program, Sunflower ran a successful production company in the City called Sunflower Newsroom, Building Authentic Connections.

Where you need extra help and your larger annual films producing, for example on Recruitment or Sustainability, Sunflower can provide you substantial discounts on film production, in some cases as high as 30% in relation to our competitors.

Find out more about Sunflower Newsroom here: SunflowerNewsroom.com

What happens next?

For those wishing to explore becoming a Sunflower Member, please reach out to story@sunflowernewsroom.com to arrange a Face-to-Face or Zoom meeting.

A Member Consultant will be allocated to you to discuss your business and a Sunflower Member plan.
