MEDSPA

SIGNATURE HYDRAFACIAL

Designed for low maintenance problem free skin. It cleans the skin by using microdermabrasion and uses a mild chemical peel while extracting impurities and finishes with a hydrating and nourishing serum booster as well as application of Anti-Ox via the Vortex-Fusion technology. This service takes about 30 minutes from start to finish.

189
or
4 FOR 699

DELUXE HYDRAFACIAL

Designed for clients seeking solutions for specific skin concerns. Everything in the signature hydrafacial is included PLUS you'll finish the service with LED (blue or red) light therapy. This service takes about 45 minutes from start to finish.

249
or
4 FOR 849

PLATINUM HYDRAFACIAL

Designed for clients seeking complete skin health reset. Everything in the deluxe hydrafacial is included PLUS you'll begin the service with lymphatic drainage facial, which awakens the lymphatic glands to assist with removal of impurities that are stimulated during the service. This service takes about 60 minutes from start to finish.
