- Judging begins before the start of the parade. Stay with your entry and in character while waiting for the parade to start.
- The Parade Committee reserves the right to limit the number of entries in each category.
- Main Street Bath and the Heritage Days Parade Organizers reserve the right to remove from the parade, either before assembly, at assembly, or at any time during the parade, any entrant not conforming to the Rules and Regulations or any entrant refusing to follow the instructions of police or parade officials.
- Designated Main Street Bath volunteers will check at line-up that entries match their registration form. Motorized entries must be properly licensed, registered, inspected if applicable, and have proof of insurance on the day of the parade. Decoration cannot impede driver vision. All entries will be reviewed and must be declared in compliance with the rules to join the parade.
- All entries must have some form of theme-related flair, music, humor, and/or entertainment purpose. Units with a business name and no other form of decoration will not be allowed to enter the Line-Up. Classic cars do not need additional decorations, but thematic décor and costumes are strongly encouraged.

LOGISTICS

- No vehicles are allowed to park in the formation area unless part of an entry.
- Arrange in advance for transportation from the end of the parade back to the beginning of the route or to your vehicles if needed. A shuttle is not provided.
- Breakdown procedures: All units must be properly constructed to minimize the chance of a breakdown during the parade. If a float breaks down, obtain help from parade officials to quickly push the entry out of the lineup and over the curb. All parade entries are to proceed around any such problem to keep the parade moving.
