

2025 MAIN STREET BATH SPONSORSHIP & MARKETING PACKET

15 Commercial Street, Bath, ME 04530, (207)442-7291, visitbath.com
Amanda@visitbath.com and Camille@visitbath.com

Main Street Bath is proud to be the first accredited Main Street in Maine, and our award-winning organization and historic and thriving downtown continues to serve as a model for other Main Streets across the country thanks to our partnerships with businesses and groups like yours.

Our staff and volunteers are committed to providing free events to the public, lifting up the City of Bath, and celebrating our local businesses across the lifespan from new start-ups to legacy family businesses and institutions in our downtown. Because we are not a membership-based organization, we rely on sponsorship and donations from the City of Bath, residents, and businesses in the community to help us organize over 30 community events and “shop-local” promotions throughout the year, provide business support, and keep our downtown healthy, connected, and decorated.

Inside our Sponsorship and Marketing Packet you’ll find information on the following:

1. Descriptions of the Four Seasons of Main Street Bath Events/Programs and Four Sponsorship Levels, including a discount opportunity for year-round support.
2. Benefit list for each Sponsorship Level
3. Pledge Form to submit your sponsorship and marketing choices for the current year.

Make your selections now to maximize your outcomes and save time during the year or let us know as each season approaches.

Two Main Street Bath fundraising events are *not included* in our packet, our annual fundraising Gala/Concert in September and our Annual Meeting Dinner. We’ll share more about participating in these events towards the middle of the year.

Thanks for joining us in the work of being a Main Street. Together we advance shared prosperity, improve the quality of life in our communities, and create a thriving local economy, distinctive and rich in character and featuring welcoming spaces and diverse businesses for residents and visitors alike.

Many thanks for your consideration and
partnership in support of our Community,

Amanda McDaniel
Director of Main Street Bath
