## PICK UP / DROP OFF OPTIONS

- Winterfest Info Booth: February 21, 10-1 PM
- Main Street Bath / 15 Commercial Street
- Please email [director@visitbath.com](mailto:director@visitbath.com) to arrange a time.

## PAINTING NOTES

- Prepping your banner with primer or gesso is optional.
- Acrylic paint is recommended. It holds up best in the elements and does not take as long as oil paint to dry.
- Paint on the non-vinyl/untreated side to avoid your paint chipping.
- Only one side of the banner will be visible. You may, however, sign your name (and age for youth banners) on the back. This is helpful to the Main Street Bath office, so we can more easily associate you with your artwork.

## BANNER POLICIES

- Banners with business names, logos, and inappropriate language or graphics will not be displayed.
- Non-profit banners may include their group name on the banner.

**CALL FOR VOLUNTEERS:** The Main Street Bath Design Committee needs a team of volunteers to help hang our show of banners at the end of March. Contact [Camille@visitbath.com](mailto:Camille@visitbath.com)
