RE: Paul Robeson: Unplugged Sponsorship Opportunity

Dear Ms. Hill,

On behalf of Mr. Craig Welburn, please accept this letter in response to your request for sponsorship. I regret to inform you that Mr. Welburn will be unable to attend as he has a prior engagement with the McDonald's Regional Operations Advisory Board. He is disappointed that he will miss the performance.

He sincerely wishes the school and its leader's an enjoyable and informative evening. The mission of the Community Partnership School is vital to the development of our impoverished youth.

Sincerely,

Judy Popov
