Dear Mr. Welburn,

On behalf of Mary Washington Healthcare (MWHC) Nurses, thank you for awarding the McHero recognition to 2 of our nurses at the Fred Nats games. The recognition including the first pitch and the \$500 cash award were exciting, unexpected and extremely appreciated by Rebecca McLaughlin and Sarah Weaver. I must also add that working with Judy Popov from your team was a delight. Judy's organization, attention to detail and follow through are top notch. She represents your organization extremely well.

Thank you for recognizing MWHC Nurses as "McHeroes." As we continue through the 18th month of the pandemic, I am awed by their compassion, tenacity, professionalism and resilience every day. Recognition from the community like your McHero awards is greatly appreciated.

Thank you!

Sincerely,

Eileen Dohmann, MBA, BSN, NEA-BC
Senior Vice President & Chief Nursing Officer
