Shaver Lake Trophy Trout
Project

Dear friends and supporters of The Shaver Lake Trophy Trout Project,

As you know, every summer we hold the Shaver Lake Trophy Trout Project Annual Sportsman's Fundraising Dinner and Live Auction, our major fundraising event of the year. This year's event was scheduled for August 8 and was to be held at Lyle's Lodge located at Camp Chawanakee, Shaver Lake. Our plan was to make this event even bigger and better than the successful fundraising dinners we have had over the past nine years. This event allows us to expand our current programs to include Trout in the Classroom, our biannual trophy trout plant at Shaver Lake and our scholarship program for Sierra High School.

However, this year is much different. Our concern about the safety, health and wellbeing of us all, as well as following CDC guidelines, remains first and foremost. It is with a heavy heart and this indeed has been a difficult decision making process by our Board of Directors. We have decided to cancel the 2020 SLTTP fundraising dinner and live auction this year as well as the Shaver Lake Youth Fishing Derby.

Although we will not be gathering in person the SLTTP genuinely appreciates your continued support.
