

Dear Community Member,

We are hosting our 9th Annual Car Show supporting Cooking Autism on Saturday June 13th, 2026 at the Stafford Regional Airport. We are excited to be back at Stafford Airport for another exciting year as we continue to grow. As we continue to grow we have expanded our operation in 2025 by forming Cruisin4Charity a 501(c)3 non-profit. Cruisin4Charity will act as the host for all the car shows we do with the support of the Stangs and Fangs Mustang Club.

By sponsoring our show, 100% of your contribution goes to Cooking Autism, a 501(c)(3) and all donations are tax deductible. We thrive on sponsorships to help fund trophies, raffle items, goody bags, and dash plaques during our major car show event. Any proceeds after the event is donated to Cooking Autism.

Cooking Autism was designed by a team of special educators, to help teachers develop programs in their classrooms that allow students to cook with their peers while learning important life-skills and more. They currently support 57 classrooms as of the 2025/2026 school year. They are now in 5 states and support over 500 students.

Last year our car show had over 140 show cars, over 700 spectators and together we raised \$12,000 for Cooking Autism. We are looking for sponsors in our community to help once again make this event a memorable one for everyone in attendance. We have great incentives for all of our sponsorship levels with benefits including, company logos on posters and banners, names on trophies, promotion on social media channels and websites, acknowledgement at the show and opportunity to set up tables at the car show to promote your brand or sell your products.

We appreciate your support and your partnership.

Sincerely,

Jeannette Bignotti - President, Cruisin4Charity - fxbgstangsandfangs@gmail.com

Eric Stafford - Chief Operating Officer, Cruisin4Charity - eric@cruisin4charity.com

Our Car Show crew includes; Cyndi Miles, Marlene and Philip Doty, Rita Aberegg, Michael Rudd, Danielle Colvin, Betsy Liston, Robin Stafford
