COMMUNITY CARE

Dear Aaryaveer,

Thank you for your generous donation of sporting equipment for our Refugee Outreach Program. Your donated equipment is given to refugees on bridging visas; they are not eligible for government benefits, and many live below the poverty line.

Your donation is particularly beneficial for the children in these families. They can participate more fully in games with equipment that is better suited to their age and abilities.

Thank you once again for your generous support.

Yours Faithfully

A handwritten signature in blue ink, appearing to read 'A Murray', with a long, sweeping tail on the final letter.
