

Bob Laverty

Bob is a cofounder and current Treasurer of iCARE, a resident of East Windsor since 1989 and a graduate of Westfield (Mass.) State College and Northeastern University. Bob raised two boys, Gabriel and Jonathan, and a daughter Sean with his wife Carmen. Professionally Bob has spent 39 years in state health care programs and is currently employed as a database administrator with DXC Technology. Bob served on the board of the East Windsor Regional School District since 2001, providing oversight in areas of labor negotiations, finance, security, transportation, wellness, and construction. Bob also serves on the East Windsor Municipal Alliance for the Prevention of Substance Abuse.

Bob and his family have faced the challenges of mental health issues through the struggles of family and friends. Since being invited to join iCARE by founder, mentor, friend, and school district colleague David Coates, Bob passionately supports the effort to bring accessible mental health and wellness services to teen and young adults of our community.
