

Rev. Bruce J. Wood (Board Member, ex officio)

Pastor Bruce Wood has been a resident of Hightstown since 2012 and an *ex officio* board member since iCare's foundation. As the Pastor of the First Baptist Church of Hightstown, he is honored to be a non-profit partner with iCare, helping to secure the downtown space for the services office. He also works in partnership with JFCS and other Community-Based mental health and substance abuse organizations. He believes deeply in the partnership between public entities, private organizations, and faith communities to advance healing and recovery initiatives.

As the father of two children in the East Windsor Regional School District and a suicide survivor, issues surrounding mental health (especially that of young adults and teens) are near to his heart. It is his hope that through community-based and community-run groups like iCare, the stigma of mental health will be removed so that we can create a true community of healing in Hightstown, East Windsor, and beyond.
