

## Charlotte Grodzki

Charlotte Grodzki joined the iCare Board in 2019, bringing with her a broad range of experience. She has always been involved in community and professional organizations and she has enjoyed volunteering with youth as a teacher, leadership trainer and group facilitator. Charlotte has held clinical, supervisory and administrative positions in behavioral health care settings, and in her private practice, she specialized in working with families.

Happily, retired and living at Meadow Lakes in East Windsor, Charlotte is committed to the support of iCare and expansion of services to youth and young adults.
