Michigan Manufacturers Association presents

2018 MFG Forum
 Wed, May 9, 2018
 8:30 AM - 4:30 PM

Suburban Collection Showplace, Novi, MI

MMA continues its partnership with the National Center for Manufacturing Science to deliver an exceptional learning experience at the 2018 MFG Form. This full-day program focuses on emerging issues impacting Michigan's manufacturing sector by providing real-world best practices presented by leading manufacturers and issue experts.

In addition to best practices, attendees will learn about important resources to protect and grow their business. Open networking and interactive activities will let you take the conversation to a deeper level and gain insightful new knowledge.
