Save the date for the 20th Annual GLBMA Golf Outing! September 18, 2018

It is that time of the year to join us on the golf course for a fun day of networking and golfing. Join us to support the educational and scholarship programs of the GLBMA. We expect to sell out again this year.

Tuesday,
September 18, 2018

Registration: 9:00 a.m.
Shot gun start: 10:00 a.m.

Cost: \$150 per person or \$500 for a foursome
Includes 18 holes of golf in a scramble format at Apple Mountain, a shared cart, driving range warm-up, lunch on the course, a scramble ball for networking, two drink tickets, dinner and awards program. Contest throughout the day include hole in one contest, trick bags, prize board, 50/50 and scramble ball.

Not a golfer? That's okay! Join us for dinner: Cost is \$55 per person.
With your help, we will be able to achieve this year's goal.

GLBMA supports CNC program

GLBMA board member, Beth Thieme presented a check to Tiffany Collins, Bridgeport High School Principal from PNC Bank to support the Edge Factor training program.

The plaque on the CNC machine at Bridgeport High School. We thank all the manufacturers that supported this project.

The new CNC machine now in place at Bridgeport High School. Over 100 students enrolled in the initial CNC class.

Opportunities Abound

Michigan Works! presents Going PRO (former STTF)

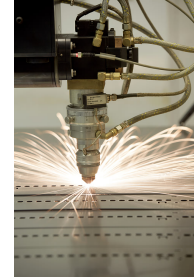

Join us to learn more about Going PRO (formerly known as the Skilled Trades Training Fund) on August 14th, 8:00 a.m. to 10:00 a.m. at SVSU. This information pertains to those in the Michigan Works! Great Lakes Bay Region area that are seeking training support. This session will include an overview from each training provider for the GLBR, an inclusive for GLBMA members. **The session is free to attend but you need to pre-register to guarantee a seat.** [See more...](#)

Central Michigan Manufacturers Association Tour

Best Practice Tour of American Mitsuba

Save the date and be sure to join the Central Michigan Manufacturers Association (CMMMA) July 24, 2018 at American Mitsuba's plant tour. [Click here for registration link.](#)

Building Strong Relationships to Face Challenges, Make the Most of Opportunities

Blog by Steve Campbell - The coming decade offers a host of challenges and opportunities for both large and small manufacturers alike, and forging the right partnerships — whether public, private, or both — is key to navigating the coming changes. Your local NIST Manufacturing Extension Partnership (MEP) Center can be a key partner in helping you build the right relationships.

Going Pro in Michigan (formally STTF)

The State of Michigan 99th Legislature passed Enrolled Senate Bill No. 946. This bill creates the Going pro talent program. This program will replace the Skilled Trades Training Fund. Learn more about the changes and how you qualify for these Michigan dollars to enhance your workforce. Each region of the Michigan Works! offices will be hosting informational meeting this fall. Contact your local Michigan Works! representative. If you are new to this program or service, the GLBMA can point you in the right direction. Look for more information on upcoming workshops on the Going Pro for GLBMA members.
