

Woodlane Village

February, 2025

The last day of February is Rare Disease Day, a day where TESS Property Management advocates for and honors all those impacted by rare diseases, but especially the 1 in 5,000 boys who are diagnosed every year with Duchenne Muscular Dystrophy. A diagnosis close to our hearts, we strive every year to spread awareness to #saveourboys. Scan the QR code to join us in our journey to learn more!

No glassware, food, or beverages are allowed within the pool area! Please note that the mere presence of glass may necessitate the closure of the facilities.
