ANNUAL GENERAL MEETING A SUCCESS!

Langdon Community Association AGM Highlights - March 24, 2025

We had an exciting and productive Annual General Meeting (AGM) on March 24, 2025, at the Qualico Resource Center. It was a fantastic opportunity for our community to come together, reflect on the progress made in 2024, and engage in the decision-making process for the upcoming year.

Welcome New Board Members!

We are thrilled to announce that we have two new board members joining us this year. Leanne Murray will be stepping into the role of Communications Lead, bringing her expertise in outreach and engagement to the team. Janette Messer has also joined as a Board Director, and we're excited to have her valuable perspective and skills onboard.

The Board for 2025:

- Nicole Porquet-Seitz - Chair
- Lise Poirier - Secretary
- Shawna Weir-Murphy - Vice Chair
- Tony Baker - Capital Projects Lead
- Jolene Feiber - AGLC Lead
- Christy Poirier - Director
- Brandi Lee Mouck - Director
- Jauna Anstett - Director
- Janette Messer - Director
- Leanne Murray - Communications Lead

As part of our transition, we bid a fond farewell to Brian Ferguson, our longtime Treasurer. Brian has been an integral part of our team for many years, and his dedication and service to our community have been invaluable. We thank him for his hard work and wish him all the best in his future endeavors.

New Bylaws Passed

A key highlight of the AGM was the passing of revisions to our bylaws, which were updated to reflect a more inclusive and transparent approach. These revisions will help ensure our community continues to grow and thrive while maintaining open lines of communication and collaboration.

Looking Ahead

While we are excited about the progress we've made, we are still in search of a new Treasurer and Events Lead. If you are interested in either of these positions or have any questions, please don't hesitate to get in touch. We encourage community members to step up and contribute to these important roles.

Thank you to everyone who attended and made the AGM such a success. Your involvement and input help shape the future of Langdon. Stay tuned for more updates, and we look forward to another great year ahead!
