

# DECEMBER

## *newsletter*

## UPDATES:

Our annual Christmas event was a huge success, albeit a bit chilly! Thank you to everyone who came out to take a horse drawn wagon ride, enjoy a hot chocolate around the fire, play family bingo, visit the kids holiday store, shop the Light Up Langdon Christmas Market, and boogie at the Jelly Bean Dance. Thanks also to the Langdon Community Library, Synergy Connects, 1st Bow Valley Scouts, and the Langdon Chamber of Commerce for helping bring this beloved holiday tradition to our hamlet every year. And now that it's officially the holiday season, make sure to submit photos of your home decor for the Langdon Christmas Glow Up contest. Some fantastic prizes are available for the best decorated homes, and we will share a map of the entries so you can tour and view them for yourself! For more details, visit our social media or [goodlucktown.ca/programs](http://goodlucktown.ca/programs).

## UPCOMING:

Starting in January and running through April, the LCA will be hosting Craft & Create Weekends on the last weekend of the month. We are looking for community members to share their creativity and teach "Come Try" nights on Fridays. Things like candle or soap making, DIY home decor, pottery, resin art, etc. Follow the [Craft & Create Weekends Facebook page](#) for more details. We can't wait to see what the community creates!

# ANNUAL GENERAL MEETING

---

February 24, 2026

---

6:00 PM

Qualico Resource Centre  
344 Centre Street, Langdon

Join us in shaping the future of Langdon  
and strengthening the bonds that make  
our community special.  
Your involvement matters!
