UPDATES

We wanted to take a moment to thank each and every one of you for being loyal members of the Langdon Community Association. With your help, the LCA is able to do important work in the community like operating and maintaining the Fieldhouse, Qualico Resource Centre, outdoor rink, basketball/pickleball/tennis courts, playground, and skate park. The LCA also organizes Langdon Days and other events throughout the year including Easter, Halloween, Christmas, monthly bingos, jelly bean dances, and more. A reminder that membership costs just \$5 per year per household. If you haven't yet, visit goodlucktown.ca/membership-1 to renew for the year, and be sure to tell your neighbours!

If you would like to be more involved in the LCA, several board positions will be filled at the Annual General Meeting on Tuesday, February 24 at 6pm at the QRC. Positions available include Board Chair, Secretary, Events Director, Capital Project Lead, Communication Lead, and Director of the Board. Come out to the AGM to learn more. Together, we can continue to make Langdon a great place to live!

LANGDON DAYS

Langdon Days takes place July 17-19, 2026, and planning for this year has already begun. Every summer, we have amazing volunteers who help out during the event. We are also putting the call out for skilled people to take on leadership roles with the behind-the-scenes coordination. The next Langdon Days planning meeting takes place at the Qualico Resource Centre on Sunday, February 23 at 7:30pm. If you have experience with event planning, logistics, organization, volunteer coordination, or anything else you think Langdon Days could benefit from, we'd love for you to join us at the meeting to find out more about how to get involved. We can't do it without you!
