Holiday Fun at the Community Christmas Event!

Thank you to everyone who joined us for our festive Christmas event!

We had a wonderful time celebrating the season with Santa, a cozy sleigh ride, delicious concessions, fun crafts and games, and a fantastic Christmas market. It was a joy to see the community come together to spread holiday cheer.

A special congratulations to the Langdon Library's Santa Store for raising an incredible \$1,264.00 in donations, which will go directly to support the building of our new recreation centre! Your generosity is truly appreciated and will help make Langdon an even better place for all.

Thank you from the Langdon Community Association! 🎄
